會議徵文

東海大學哲學系謹此邀請人文學門學者參與「情感與理性：實踐哲學的考察」(Feelings and Reason: From the Practical Perspective) 國際學術研討會並撰寫論文。

人具有理性，也具有情感。理性與情感都會影響人的行為。然而什麼才是理性？人的判斷與行動是否有必然的連結？人的知識是否一定能提供行動的動機？在道德的領域中，道德內在論者認為：作為一種道德確信，對於道德的理性信念，即可以提供道德行動的動機；道德外在論者否定這一點。有些哲學家認為只有出自於理性的行動，才能是道德的。有些哲學家則認為道德情感對於行動的道德價值不可或缺。在中國哲學的傳統中，心學似乎正是採取此一觀點；理學則似乎傾向將道德行動植基於對於道德規範的認識之上。

本會議邀請海內外學者，就情感與理性的議題交換研究成果，論文主題包括：

1. 何謂理性？
2. 知識與行動

Call for Papers

The Department of Philosophy at Tunghai University hereby invites scholars from all disciplines in the humanities to propose papers for the international conference “Feelings and Reason: From the Practical Perspective” (情感與理性：實踐哲學的考察).

Human beings are endowed with both feelings and reason, which bear on human beings’ acts. Yet what is reason? Is there any necessary connection between one’s judgments and acts? Does knowledge necessarily provide motives for actions? As to moral acts, moral internalists maintain that, as moral convictions, rational beliefs are able to motivate moral acts. Moral externalists deny that there is a necessary connection between moral convictions and moral motives. Some philosophers claim that only those act from reason can be moral, whereas some think that moral feelings are required for moral acts. In the tradition of Chinese philosophy, the school of heart-mind seems to adopt this view. In contrast, the school of principle tends to ground moral acts upon the cognition of moral norms.

The Department of Philosophy at Tunghai University will host a conference dedicated to the following topics and we invite submissions:

1. What is rationality?
2. Knowledge and action
3. Morality, reason, and feelings
4. Moral feelings and Confucianism

Details about the conference are as follows:

1. Dates: April 17 (Friday) – 18 (Saturday), 2020.
2. Venue: Department of Philosophy, Tunghai University, Taichung.
3. Organizer: Department of Philosophy, Tunghai University.
